

Holiday Spoon Puppet

For preschool age and up

Puppets are a very old kind of art, and a way to tell stories about important people and events.

Your Child is Learning

**manipulation of materials • creative expression • dramatic play
hand-eye coordination • fine motor skills like placing and gluing**

Materials

- Spoon or spork
- Yarn or ribbon
- permanent marker
- Glue or tape
- Any added bling like tinfoil, ribbon or fabric!

Process

Make a puppet using our supplies and any of your own!

- Decorate the spoon face with permanent markers or draw on a paper face and glue it to your spoon
- Add hair, fabric clothes... anything you want! Yarn, ribbon, fabric and paper can help you give your puppet personality.
- You can use all sorts of material for crafting. Try using things like tinfoil, coffee filters, paper plates, and soda can tabs.
