For preschool age and up

Your Child is Learning

manipulation of materials • creative expression •
hand-eye coordination • fine motor skills like gluing and placing

Materials

- Fabric or paper
- Yarn
- Cotton balls
- Beads
- Glue, or hot glue with supervision
- Scissors

Process

- Cut out a triangle of fabric or colored paper for the hat
- Gently pull at a cotton ball to give it an organic beard shape
- Get a colored bead or piece of paper for the nose and glue it to the bottom of the hat, just underneath the rim.
- Glue the beard along the rim, behind the nose
- Complete your gnome ornament by gluing or taping a loop to the tip of the hat.
